PLEASE READ THE FOLLOWING					
I understand that I am not eligible for exemption from licensing as a food processing plant and must obtain a license as a food processing plant if I wish to produce any food products other than eggs. This registration is not a license. No Registration Certificate will be issued. An egg producer who satisfies the following need not obtain a license under s. 97.29 Wis. Stats. to sell nest-run eggs: (a) All nest-run eggs sold are from a flock of laying birds owned by the registrant, (b) All sales of nest-run eggs are to an egg handler who holds a Food Processing Plant license under s. 97.29 Wis. Stats. and ATCP 70.					
*All shell egg handlers and producer packers that have a flock consisting of 3000 or more egg laying birds are required to register with the FDA under the Egg Safety Rule. Register at <a href="http://www.access.fda.gov">http://www.access.fda.gov</a> or call (800) 216-7331.					
*Nest-egg producers and sellers that engage in shell egg grading must be registered with the USDA. Please contact DATCP at (608) 224-4682 for assistance in the registration process.					
The undersigned hereby certifies that this a true, complete and accurate report for registration as an Egg Producer under s. 97.28 Wis. Stats., ATCP 88. Registrations are not transferable between persons or locations. The Department may inspect premises at any reasonable time. Records must be available to the Department upon request. Personal information you provide may be used for purposes other than that for which it was originally collected s. 15.04 (1)(m), Wis. Stats.
