RECYCLING BUSINESS:

- A. OPEN SEALED RFP'S:** We received 1 RFP from Waste Management. *Motion by Kathy with second by Doug to open the RFP. Motion carried.*
- B. REVIEW RFP'S:** Each reviewer reviewed and scored the RFP. Pros and cons include:
Waste Management: \$4083/month with 2.5 CPI Increase for next 2 years
- Had personal touch on opening letter
 - Missing bond
 - Multiple recycling centers – MN & Germantown
 - No fuel surcharge
 - Only bid received
 - 65% Increase
 - Cuts will have to be made to accommodate this vast of an increase
 - Could there be a decrease if we purchased our own dumpsters?
 - Rep is very good to work with
