Miller Brad-Ford & Risberg Inc. – 2017 Midland SPD-8 Road Widener \$162,606.00.

A Knops/Gierke motion to approve the purchase of a Road Widener. Motion Carried.

Authorize to bid contract to pulverize CTH “D” and CTH “F” projects.

The Highway Commissioner updated the Committee on scheduled projects for the 2017 construction season.

A Gierke/Biller motion to let for bid contract pulverizing of CTH “D” and CTH “F” projects. Motion Carried.

Update on Josie Creek Wood Bridge.

Discussion on future plans for Josie Creek Wood Bridge. No action at this time.

Update on building renovation plans.

The County Board will review building renovation/possible relocation plans for the Highway Department facility at their next County Board meeting.

Approve to sell by bid contract approximately 5000 CY of sand from the County Scott Pit.

The Highway Commissioner would like to sell 5000 CY (cubic yards) of sand from the bottom of the Scott Pit floor. The material is a waste material that the Highway Department will not have any use for; selling it will create revenue for the gravel pit.

A Knops/Biller to approve bidding out for bid contract the sale of approximately 5000 CY of sand from the County Scott Pit. Motion Carried.

Update on status of Highway Equipment

The Highway Commissioner reported status of Highway equipment including update on breakdowns that have occurred in the last month.

HIGHWAY COMMISSIONERS REPORT

The Highway Commissioner updated the Highway Committee on the status of the following projects:

- CTH “H” – Anticipated completion of gravel work is this week, paving operations scheduled to begin next week with completion of the project in two weeks.
- Rut Paving – Hwy 8 (From Weyerhaeuser going east) and Hwy 40 (From Bruce to the county line in various locations) funded through a State DMA (Discretionary Maintenance) is scheduled for next month.
