- The Soup Cook Off or something else. (Friends of the meal program.) Kathy Silvernale reported that even doing something like “Friends of the Meal Program” all the monies would go into the same account. In order for that not to happen a group would have to establish a whole new entity managing the monies.
- Discussed whether or not we are going to have a Soup Cook Off this year. Jennifer suggested maybe only having soup and no sandwich or dessert. Then you would need less volunteers and donations. Lynne wondered about the liability of having an employee volunteer at the kitchen. Discussed that since the person was volunteering they would be treated like anyone that volunteered for the county. Kathy Walthers discussed the cost and time it takes to get the event going. Kathy Silvernale report that she is willing to help set up the date and get things going . Kathy W and Kathy S will meet up and start moving things forward and report back to the group. Alice stated that she will donate a quilt if we do have the Soup Cook Off.
- Kathy W. reported that the dishwasher that is only a little over a year needs to be replaced. The door comes off. The dishwasher has been an issues since the beginning. We even received a whole new unit about 8 month in. Mike Nashes is looking at a different set up as that style of dishwasher doesn't work for our situation. This week the old cooler went down. We hope it can be fixed.

Meeting adjourned at 3:00 p.m. Silvernale/Kesan
