MOST COMMON OFFICIANT QUESTIONS

My officiant was ordained through the internet. Can he/she perform the ceremony? Yes, if he/she meets the requirements of Wis. Stat. § 765.16.

What if I have concerns about the legality of our chosen officiant? The couple should seek legal counsel if they have questions regarding this. The County Clerk's Office is unable to give legal advice.

Does my officiant need to register? No, there is not a state-wide registry for officiants in Wisconsin.

Neither the Rusk County Clerk nor the State Vital Records Office will confirm the legality of an officiant.

What you need to know...

Wisconsin marriages only

The couple must apply together and in person.

WHERE TO APPLY

Couples may obtain their marriage license from the county clerk in any Wisconsin county for marriages taking place in the state of Wisconsin.

Rusk County applicants apply at:

Rusk County Clerk's Office

311 Miner Avenue E

Ladysmith, WI 54848

Monday through Friday, by appointment.

If the parties are applying for a marriage license in a different Wisconsin county, please contact that county for location, application times and fees.

WHEN TO APPLY

The marriage license is valid for 60 days from the date of issuance. Wisconsin law establishes a 3-day waiting period between application and issuance of a marriage license. This means that the applicants must apply for the license at least four (4) days prior to the date of the wedding, and no more than 60 days before the date of the wedding, to meet the requirements of state law. Our office is not open Saturday or Sunday, so please account for that time when applying.

REQUIREMENTS - Each person must provide:

- Arrangements for your wedding must be set prior to applying for a marriage license. Please bring the name, address and telephone number of the person performing your ceremony, as well as the address of the ceremony's location. If you have no one to perform your ceremony, a Judge may be available. Please call the County Clerk's office for the Judge's information. Two witnesses, 18 years of age or older, need to witness the marriage and sign the marriage license at the time of the ceremony.
- Non-expired photo ID **and** Social Security number. If an applicant has never been issued a Social Security number, the space will be marked "none."
- Proof of where you have physically lived for the 30 days prior to application, such as a driver's license, lease, utility bill or bank statement. You must also know the name of the city, village or town and county where you reside.
- Certified birth certificate issued by the state or county where born. Birth certificates must be legible, not tattered or torn. If the birth certificate is unattainable, other satisfactory documentary proof may be considered that meet the requirements of P.L. 109-13, permanent resident card or naturalization paper. If your birth certificate does not include full names of parent(s) and/or the mother's maiden name, you will need to supply this information when applying. ****Hospital issued birth certificates, notices of birth registration or photocopies of birth certificates are not acceptable.****

REQUIREMENTS - Continued...

- If previously married, a divorce judgment, legal annulment or death certificate from the most recent marriage must be provided. The divorce judgment or legal annulment must include the Judge's signature. **Divorced persons may not remarry until six (6) months + one (1) day after the granting of the divorce, regardless of where the action took place.**
- The legal age for marriage in Wisconsin is 18. If an applicant is 16 or 17 years of age, a consent form needs to be signed by the parents or guardian before the County Clerk.
- If one or both of the applicants do not speak English, a third party needs to interpret at the time of application. Couples cannot translate for each other.

FEE

The license fee is **\$75.00** payable by cash, local check, money order or debit/credit card. Payment is due upon application and is non-refundable. A service fee will be charged for all debit/credit card transactions. We are *unable* to accept out of town checks.

WAITING PERIOD WAIVER

If the couple should be unable to apply within the required time due to extenuating circumstances, a waiver of the waiting period may be granted at the discretion of the County Clerk. Waivers are an **additional** fee of **\$10.00**

Waivers will not be granted for applicants under the age of 18.
