## PRIVATE USE Q & A

**What is considered "Private Use"?** Private use is unorganized groups that DO NOT provide a planned program of recreation or education. Those that do must follow the guidelines for rec/ed camps.

**Can we use the cabins?** Yes. Private users can use the lodging facilities. You can also bring up to 3 RV's and/or tents. A Temporary Campground License must be obtained if you wish to have more than 3 RV's and/or tents. Cabin capacity is listed in all cabins and must be followed. Visit our website at <http://rusk.uwex.edu/reserve-the-camp/> to see a map of the grounds and a listing of cabin capacity.

**Can we use the kitchen?** Yes. There is a full commercial kitchen available for your use but there is no serving of food to the public.

Facilities for private use include rustic cabins, commercial kitchen, dining hall, assembly hall, modern restroom and shower facility, volleyball and basketball courts, softball field, obstacle course, outdoor amphitheater, barbecue pits, fire rings and a swimming area with access to the Chippewa River. There are also miles of nature trails that are ready to be explored.
