To Connie Meyer and County Board chairman

This letter is to inform you of my interest in being on the district 19 county board. Having served in the last session, I feel I have the necessary information without being coached as some of the new members will be.

Having worked for the city for 26 years, of which 12 years as mayor, I was the second longest mayor since 1905. Please consider me for district 19. Thank-you for your consideration.

I was a candidate for county board, in District 19. I'm still interested in serving in that position.

Deciding to be a candidate for the county board is a way to participate in , and contribute to, our local governing body.

I've been a resident of Rusk County since 2003.

Being a life long educator, I've always encouraged students and families to be involved, and to be a positive influence in our government process, whether local, state or national. I've been elected and served on school boards, church boards, and various community groups. I believe the way to serve is to get involved. I would be willing to serve the county in this position, and help make recommendation to make our county a welcoming place to live, and work.

If selected to serve, I will be looking forward to being a part of our elected county leaders until 2026.

RUSK CO. CLERK

Rusk County Board of Supervisors:

I am applying for the district 19 supervisor position because as a resident of Rusk County I feel as a county board supervisor I can make a positive difference in my community I grew up in and call home and raise my family. Id be willing to listening to the concerns of everyone in my district to find resolutions for there needs.

I understand the roles and responsibilities that came with the position of supervisor and am willing to put in the time and effort required to be a dedicated public servant.

I work in the City of Ladysmith at BiOrigin SP as a de-ink plant operator and work as a ump/referee for the WIAA in football,baseball and softball.

Thank you for considering me for the Rusk County board of supervisors.
