Question payment for out judges do we want to change that or keep it the same. Currently is at \$12.00 Hr. and .51 a mile. Board feels that is a good pay at this time so keep the same.

We discussed when to send out sponsor letters and felling was to do it at the beginning of the year after Christmas. If was also brought up about Rodeo Sponsors being the same as our Fair sponsors. We will check with Johanne with regard to this as the contract said she would not get the same sponsors as us. Judy will check with her.

Breanne suggested about purchasing tablets or I pads to help with Blue Ribbon information, judging sheets and other fair related items. It would make is easier as all the information will be in one spot and will be entered immediately. Lyle would look for some sale deals with Christmas coming.

Discuss about text messages received from Rice Bull Riding and CO. about the upcoming Rodeo and why they were not brought back to the fair. Meeting called to order at 7:00 pm.

Minutes from November 1, 2017 were read, Motion by Connie Meyer, 2<sup>nd</sup> by Jessica Wiles. Motion to approve minutes as written.

Fair Coordinator report: Breanne has school packets done and sent out. She has updated the website, she met with Johanne to go over rodeo stuff. Breanne would like to have the link for the website to the Jr. Fair updated so it comes up easier. Judy said to check with Andy about possibly helping with that. They also could pay to have it done which is about \$30.00.

Extension report: Agreement on job description for 4-H agent has been set. They did not hire an agent from the last interviews done.

Sponsor list and Sponsorship letters: We read over the letter to be sent out. We added an ending date being June 1<sup>st</sup>. Breanne will send out the letters after we look over the sponsor list. These will go out just after Christmas.

We covered the fair book rules with regard to only Rusk County exhibitors. Talked about having a few 4-H clubs that in both Rusk County and surrounding counties and that being their group is registered under Rusk County they are eligible to show. Open Class is open to all.

Breanne asked about Blue Ribbon renewal. It was agreed to renew it for this year.

Insurance update was covered by Judy. No definite answer right now.

Rusk County Rodeo: Discussion about several aspects of the rodeo was covered.

Friday night entertainment: John King would like to come back to the fair. Breanne will get information on how much he charges and how long we would play this year,

Parking: Ladysmith Fire Department was not interested in doing parking this year. Talked about other options, maybe asking a different fire department or group.

Carnival: It was talked about just going with inflatables and getting costs associated with that.

Vendors fees: Should we up vendor fees? Information booths will remain the same, non food vendors are \$100 and food vendors will be \$125.00 Motion by Judy Srp, 2<sup>nd</sup> by Jessica Wiles. Motion carried

Camping: There have been issues with bigger trailers not having enough room and needing 2 spots. It is on a first come first serve basis. Animal exhibitors get preference of spots, then the rest. Also a question on letting the public rent spots during the fair. It was decided that it was not a good idea.

Chamber meeting: Rusk County Jr Fair will be the host for July meeting. The BBQ cook off would do a small taste of BBQ. It will start at 5:00 and will be at the fair grounds.

2018 Events: More discussion about the inflatables, doing the car show, BBQ cook off and determining an event for Thursday night.

Information about the State Fair Convention, it will January 7-11 in Wisconsin Dells.

Charmaine has been working getting old fair checks cashed. She has sent out names to all 4-H groups and others.

Breanne informed us that should she receive a full time job after graduation she may not be available to fill her position as fair coordinator.
